**If you're looking for imported wearables, you won't find any in this book.
AKWA is dedicated to making only MADE IN USA apparel.**

The absolute BEST no-curl collar you'll ever find.
It doesn't even curl coming out of the washer and dryer!

The absolute BEST soft shell jacket you've ever worn.
Many call their stiff jackets 'soft shell'. Ours embodies the word SOFT.

The finest fleece you've ever worn. Or customize the hood liner
or other body parts with a contrasting color or sublimated panel.

Our customers tell us it's practically impossible to find MADE IN USA
dress shirts. We make men's and women's in various fabrics and colors.

Do you need a loop for glasses, pocket, or private label?
We can sew some or all of those for you quickly with no minimum.

AKWA offers expert, affordable embroidery, sublimation, screen print, & heat transfer.
Pre production and virtual proof service available.

HOW TO BUILD A CUSTOM AKWA SHIRT

1. Choose a style:

Modify any AKWA style or let us
develop your idea or product image.

2. Choose a fabric and color:

Most AKWA fabrics can be manufactured
in any style. Make sure the fabric you
choose is available in the desired color.

3. Choose the construction details:

Short sleeve, long sleeve, or 3/4 sleeve.
Button placket, v-neck, or zippered
placket. Standard shoulder or raglan
shoulder. Add or subtract a pocket.
Sew a custom label. Or tell us what
you need!

4. Choose a decoration or order blank

Embroidery is our specialty.

Custom projects require a 144 pc min.

Allow 4+ weeks for production.

Some projects are more complex, and may require
a longer lead time and/or a larger minimum order.

Call your distributor for custom quotes.
